

ANDREWS & ASSOCIATES  
COUNSELING

**Online Counseling Agreement**

Your therapist, \_\_\_\_\_ has chosen to use either Skype or Facetime as the software provider for online counseling sessions. The following information outlines the additional limits (in addition to the HIPAA Privacy Policy) of confidentiality when participating in online counseling.

**Limits of Confidentiality**

1. While using every reasonable means to protect and encrypt conversations such encryption can not be guaranteed when doing online counseling.
2. If I believe you are in danger or become a danger to yourself or to someone else, I may inform others or contact 911 in your region.
3. You are encouraged to protect your own confidentiality by controlling access to your communications with me-such as by using passwords only known by you, controlling access to your computer, deleting data, etc.

I have read and understand the information stated above. I further understand that my therapist, \_\_\_\_\_ at Andrews & Associates Counseling is not responsible for any breach of confidentiality that may or may not occur.
